## The flowers are starting to bloom again... a reminder that nature keeps renewing itself

*Rich soil, deep roots, nourishing water and sunlight ... all of these give a plant the opportunity to radiate with life. God's grace and love does that for our souls.*

Hi. My name is Randy Opmeer. I'm the pastor of Hope Church (and I've also been one of your neighbours for over 3 decades). If you've ever seen our building on the corner of 19th and St. Catherine's and wondered what goes on inside, well, that's why we've produced this handout. In fact, our plan is to share with you on a regular basis in the coming months ... in the hope that you would consider participating in some of our activities. We're doing it as part of a renewal effort in our church. By God's grace, we think the soil is pretty good, but we'd love to see a few more flowers.

**Heritage and Future** - Our church was started by Dutch immigrants (the accents and last names will tip you off). But while we treasure our heritage, this is a church for anyone who wants to participate. Over the years we've already been blessed to have people from many different backgrounds join our church, but we'd love to see that more and more ... so that the same kind of cultural diversity we see in our city will also be seen in our building.

*The Spring Season is upon us. New flowers are in full bloom and so is our Church, full of activities and always ready to welcome new members and friends.*

**It's a Date** - The heart of a church's life is its Sunday meeting time (ours starts at **10am**). What we do is sing songs, pray, listen to God's Word ... stuff like that. But what we're **really** doing is being refreshed by God's love for us, and expressing our love for Him. You could say that on Sunday morning we're on a date with God.

**What About Children?** - The children join with the rest of us for the first 20 minutes or so of church - then they go downstairs to sing some more, hear an enriching Bible story and make some crafts. Nursery is available for the really young ones. It's staffed by long-term members of the church.

**Coffee Time** - After church, follow everyone else downstairs for a cup of coffee or tea. It's a time for conversation and friendship ... because God's love is meant to be shared.

**First Sundays** - On the first Sunday of every month we have a light soup and bun luncheon after church (except in the summer). On April 3 the sermon will be based on the theme introduced on the cover of this brochure ... opportunities for renewal. Feed your soul or feed your stomach? Why not do both?

**Did You Know?** - Two other churches also use our building: On Sundays, we meet at 10 am, the Hungarian Reformed Church meets at noon, and the SengMyung Saem Church (Korean) meets at 2 pm.

We'd love to see you. Come join us.

## The Stresses of Life

I am a Special Forces Soldier—the best of the best. This is my team. My specialty is weapons. The other guys are experts in medicine, engineering and communications. We all speak two languages. Whenever the world calls the U.S. Army for help, we are the ones who answer. **I AM AN ARMY OF ONE**, and together we are unstoppable.

This is no place for subtlety. This is a place where aliens want to turn humans into a bad memory. This is a place where strategy matters indoors and out, where your weapons and vehicles are both human and alien. This is a place for carnage. This is **HALO**.™

This terrorist attack is an attack on our way of life and our civilization. There may be casualties in this fight, but you know, we have been challenged and attacked in a very deliberate way. We must step forward; every generation must step forward, stand up, and be counted. The greatest generation wasn't of WWII—the greatest generation is yet to be realized.

- Check expiry date. Carefully tear open the pouch and handle condom gently to avoid damage. To condom from sharp objects (e.g. fingernails, jewelry, etc).
- Put condom on before penis gets near any body. Opening to avoid exposure to any body fluid that can carry infection.

- Put condom on erect penis, ensuring rolled edge is on the outside. Leave space at tip to hold semen when you ejaculate.
- Gently squeeze all out of tip and hold tip while you unroll condom down to the base of the penis. If condom does not unroll, it's on wrong. Throw it away. Start over with a new one.

- Do not use petroleum jelly, mineral oil, cold cream or any petroleum based preparations which can cause weakening of the condom or even breakage. If additional lubrication is desired use a water or silicone-based lubricant.

- After ejaculation or "come" withdraw penis slowly while still erect. Hold the rim firmly in place and when withdrawing to avoid spilling semen. At this time keep the penis well and clear away from the partner's body. If condom breaks and semen spills or leaks out during use, quickly wash semen away with soap and water.

Former Vancouver police officer Peter Hodson, who pleaded guilty to drug trafficking while on duty, was sentenced Thursday to three years in a federal prison.

The 32-year-old former University of B.C. basketball player was arrested and fired from the Vancouver Police Department in April 2010 following a sting operation by his own force.

The father of four pleaded guilty to three charges last November, including drug trafficking and breach of trust.

"Your remarkable fall from grace is a burden you will have to carry with you for the rest of your life," provincial court Judge Gregory Rideout told Hodson before reading the sentence.

The judge stressed Hodson abused his power and exploited vulnerable Downtown Eastside residents, with some of the drug deals done while he was driving his police cruiser.

His lawyer, Vincent Michaels, had asked for a two-year conditional sentence to be served under house arrest, while the Crown was

Crown lawyer Joe Bellows said the judge didn't seem to buy Hodson's thrill-seeking defence but that he was more persuaded by the

Crown's submission that Hodson was in it for the money.

"It's not a harsh sentence but a fit sentence," Bellows said outside court.

Hodson was given 21 days off his sentence for time already served.

## BENEFITS OF ABSTINENCE

There are many positive things about abstinence.

Being abstinent can

- **Strengthen your relationship.**

Making an important decision and solving problems together helps develop your "relationship skills."

- **Help you talk to each other.**

Sometimes couples have sex instead of talking. Being abstinent can give you room to talk more and express your feelings in ways that aren't sexual.

- **Help keep you safe.**

You won't have to worry about protecting yourselves from pregnancy or sexually transmitted disease (STD), including HIV.

- **Bring you closer.**

Not having sex can put the focus of the relationship on other things such as trust, caring and friendship.

TREASON

BUT MY POINT IS... MY POINT IS, I WENT CRAZY.

WHEN I SAW WHAT A BLACK, AWFUL JOKE THE WORLD WAS, I WENT CRAZY AS A COOT! I ADMIT IT!

WHY CAN'T YOU?

I MEAN, YOU'RE NOT UNINTELLIGENT! YOU MUST SEE THE REALITY OF THE SITUATION.

DO YOU KNOW HOW MANY TIMES WE'VE COME CLOSE TO WORLD WAR THREE OVER A FLOCK OF GEESE ON A COMPUTER SCREEN?

DO YOU KNOW WHAT TRIGGERED THE LAST WORLD WAR? AN ARGUMENT OVER HOW MANY TELEGRAPH POLES GERMANY OWED ITS WAR DEBT CREDITORS!

TELEGRAPH POLES! HA HA HA HA HA!

IT'S ALL A JOKE! EVERYTHING ANYBODY EVER VALUED OR STRUGGLED FOR... IT'S ALL A MONSTROUS, DEMENTED GAG!

SO WHY CAN'T YOU SEE THE FUNNY SIDE?

WHY AREN'T YOU LAUGHING?

I Am a stupid whore I love listening to  
theedely, sometimes eating ~~6am~~ foods is fun  
but otherwise I eat puppies and babies because  
being a stupid whore is FUN FUN FUN
